Dear CFR Chapter Members,

Welcome to our redesigned Chapter Newsletter!  
We plan to publish these monthly to keep everyone up to date with activities that are happening locally and throughout the world of systems engineering.

We are still taking WSRC sponsorship applications, so get them in by **8/8/25!**

Thanks,  
CFR Board of Directors

Takeaways

## NEW MEMBERS

Welcome to all 16 of our new members, including two student members, who have recently joined the INCOSE Colorado Front Range Chapter! We're excited to have new colleagues from across four different states join our growing community of systems engineering professionals. Your diverse backgrounds and fresh perspectives are a valuable addition, and we look forward to engaging with you through our upcoming events, networking opportunities, and knowledge-sharing initiatives. Welcome aboard!

## CHAPTER NEWS

### INTERNATIONAL SYMPOSIUM 2025 SPONSORSHIP WINNERS

Congratulations to the following CFR Chapter members who received sponsorship to attend IS2025:

- Valkand Jhaveri
- Tami Katz
- Graeme Troxell
- Claribel Wendling
- Sasha Mueller

We hope you had a wonderful experience at IS2025 and look forward to hearing all about the symposium.

If you are interested in hearing more about their time at IS2025, each recipient will be giving a short presentation on their experience at our next virtual event on **Thursday August 21<sup>st</sup>**.

The 2025 Western States Regional Conference (WSRC) will be held at the University of Washington – Bothell Campus on September 11-13, 2025. With Early Bird Registration extended to August 15<sup>th</sup>, the CFR Chapter has extended our sponsorship application deadline to **Friday August 8<sup>th</sup>**. Check your email or reach out to the Board of Directors ([co-front-range-leaders@incose.net](mailto:co-front-range-leaders@incose.net)) for more information.

#### COMMUNITY SPOTLIGHT

DR. JIM ADAMS, NORTHERN COLORADO AREA DIRECTOR

Dr. Jim Adams is an Associate Professor in Systems Engineering at Colorado State University, teaching large system costs, and space systems mission engineering. Dr Adams has more than 20 years of systems engineering experience in Department of Defense satellite and aircraft systems. He also supported the in-process measurement industry as a Product Manager and Marketing Engineer. He received a Ph.D. in Engineering from Wright State University, a M.S. in Electrical Engineering from The Air Force Institute of Technology and B.S. in Electrical Engineering from Michigan Technological University. He is an INCOSE Certified Systems Engineering Professional (CSEP).

## PAST EVENT HIGHLIGHTS

### JULY 19<sup>TH</sup>: CFR SUMMER PICNIC

Colorado Front Range Chapter members from across the state converged on a spacious gazebo at Prairie Sky Park in Lone Tree to enjoy food and conversation with fellow Systems Engineers. Over 20 people (including some friends and

significant others) munched on tasty food while meeting new people and catching up with old friends.
